

## MECHANIC'S

**OIL  
RESISTANT**

### Driving our best workshops

A genuine mechanic's glove made to impress as an established product in the premium KOMODO® range.

The KOMODO® mechanic's glove, is precisely just that but we've mastered the details - a glove designed to enhance any mechanical experience with the

perfect balance of toughness, durability, comfort, feel, dexterity and fingertip sensitivity.

An honest all-day glove that will see you through the gears and won't slow you down, it's oil & fuel resistant too!

Finely Textured **Sandy Grip** for a **Loyal Grip** even on wet or greasy surfaces.

Moderate heat handling.

**Luxury cooling fabrics** for breathability, overall comfort & ease of hand movement.

Double Dipped Nitrile coating, unaffected by oil, fuel, chemicals, even battery acid.
